Casual Fridays Continue at Orthopedic Associates

If you happen to come to our office on a Friday, you'll see many of us wearing jeans and often times with the same color shirt! On Fridays, employees pay a minimum of a \$1.00 for permission to wear blue jeans to work.

Different Fridays throughout the year a specific colored top/shirt is chosen to be worn with jeans and our donations go to a specific charity or cause.

In past months we have raised monies and donated items for the following: Mom's House; A Room to Heal; Friendship Tree; a co-worker's daughter's classmate who has a rare cancer; a local family that lost their house to fire and Helping Hands of Broome County.

We have selected the following charities to benefit from our Fridays in early 2011:

- February 2011 - United Way
- March 2011 - Ronald McDonald House
- April 2011 - The Friendship Tree
